Jacket Order

All jacket orders must be received by November 1.

The exact shipping date cannot be guaranteed. The tentative plan is for them to arrive at our office (OK) the first part of January, and we ship them out immediately. They will be sent priority mail. You must include a valid shipping address.

We will update you on Facebook when they have been shipped.

No refunds. No exchanges. We do not order extras. We only order the specific jackets requested.
