Who is eligible for entry at this event? While the Bonus Race (\$55,000+ added) requires the rider to have won a qualifier id# at an event held between Jan 1, 2022 - Dec 31, 2022, to make an entry. It requires a DIFFERENT qualifier id# for EVERY run you make in this race. The Open Succeed Equine Jackpot (\$10,000 added) is open to the world. The Ultimate Bonus (Hi Stakes Package) includes 2 Bonus Qualifiers (that did not have to be won in 2022, they are given to you with this package) and 2 Ultimate Bonus sidepot entries with those runs. The entries are taken ONLINE ONLY and payment is required when you make your entry. We open the entries in phases giving those who purchased the Ultimate Bonus package (and have already paid in full) first chance to enter their horses in the system, select their sessions, etc. Followed by contestants with a 2023 Bonus Qualifier Id# and their immediate family (we appreciate you putting immediate family under the same user name on sgp so all entries are together, in our system).

How much does it cost? The Bonus Race is \$111/run, The Open Jackpot is \$66/run. The office fee is \$35/rider (1x fee per rider) Stalls are limited, and vary from \$100-\$130 (dirt & cement indoor \$130 and outdoor (not covered stalls \$100) for the week (good Mon – end of show Sun) Please only purchase stalls for horses entered in the event. If you need to be stalled together it is BEST to have ONE USER purchase stalls. (max of 10 per user) FMI on the Ultimate Bonus Hi Stakes Package please see the guidelines and payment schedule. \$10 from every entry fee goes to the daily payout and is paidback 100%. \$5 from each open jackpot entry and \$10 from each bonus entry go towards the awards fees.

How do I know if I won a Bonus Qualifier ID# in 2022 (FOR 2023 FINALS)? We have a list of qualifiers for this year’s finals on our website if for any reason you believe your name should have been on this list (you won a qualifier Jan 1-Dec 31, 2022) please contact Macee qualifiers@bonusracefinals.com

What if I have multiple qualifiers but only one horse? A horse may run 2x MAX in the Bonus Race. This includes any combination of riders. Absolutely no more than 2 runs. It may also run 2x MAX in the open jackpot. Unfortunately, qualifier id # cannot be transferred to another rider nor sold. They must be used by the name of the rider they were issued to. We do not track horse names, only riders are associated with Bonus Race Qualifier Id#.

How do I choose which day I run? Choosing which day you run is very popular with our contestants! The tentative schedule for the week, has been posted on the website. Each day has BOTH an open jackpot session (am) and a bonus race session to choose from (except Sun please see schedule) with limited entries. Each race (open jackpot AND bonus race) are ONE BIG JACKPOT OVER multiple days. When the last open jackpot session runs on SAT we will have the full combined results (if you ran your horse twice, you will have a chance to win TWO checks). The Bonus race will conclude on Sunday. **There are no short gos – you pick and choose when you want your runs to be.** Sessions are limited, and as such entries are taken online only so that the computer can track how many available spots remain in each session. Once full it will not allow you to choose that session to enter. A horse may run twice in one day (once in the open jackpot and once in the bonus race), except Sunday, since only one session is offered on that day. NOTE KEEP IN MIND, YOU MUST HAVE A UNIQUE ID # FOR EACH AND EVERY ENTRY YOU MAKE IN THE BONUS RACE. **IF YOU WISH TO RUN 2X YOU MUST HAVE two DIFFERENT ID NUMBERS.**

What is the daily payout? The daily payout is \$10 from every entry fee and is paidout 100% in the session you run in on a 5D ½ sec split format. Each “session” champion will also receive a buckle. 5 buckles given in each session. That includes 10 Tues, 10 Wed, 10 Thur, 10 Fri, 10 Sat, 5 Sun. While the daily payouts are not big, they give MULTIPLE contestants a chance to win a check. These payouts are paid ON SITE in the show office and will be available at the start of the next session FOLLOWING the session you won your check in. **NOTE OPEN JACKPOT WINNERS WILL ALSO RECEIVE A SUCCEED CHALLENGE PACK THIS MUST BE PICKED UP AT THE SUCCED BOOTH FOLLOWING THE SESSION IT IS WON IN (AND A PHOTO MUST BE TAKEN) AWARDS/BUCKLES/DAILY PAYOUTS WILL BE READY AT THE START OF THE FOLLOWING SESSION.**

When is the open jackpot and bonus race payout and awards presented? The open jackpot race will conclude on Saturday. All COMBINED OPEN JACKPOT CHECKS WILL BE MAILED THE WEEK FOLLOWING THE EVENT AS LONG AS YOU HAVE A 2023 W9 ON FILE. **OPEN RACE: Awards for the open race will be presented Sunday morning 15 min prior to the start of the Bonus Race. Division champions should be present to receive their saddles.** If you are not present, you must have someone stand in for a photo and pickup your award. We will not ship awards. The Bonus Race will conclude after the last run-on SUNDAY. **BONUS RACE: Awards are given to the TOP 10 in each division. We will not ship any awards. You must be present to receive your award or have someone available to accept the award for you and stand in for a photo.** In case of a tie for any awards, we will flip a coin. If there is a tie and a contestant themselves is not present, we will automatically award the tie to the contestant that is present themselves. All COMBINED OPEN BONUS CHECKS WILL BE MAILED THE WEEK FOLLOWING THE EVENT, AS LONG AS YOU HAVE A 2021 W9 ON FILE. W9 FORMS MUST INCLUDE SOCIAL SECURITY # OF RIDER (REGARDLESS OF AGE) AND ADDRESS, LEGAL NAME AND SIGNATURE/DATE.

The office fee, credit card fees, and 10% of each entry fee will be held. The draw is random, and we will not move you to another session. You must run in the session and position drawn. If you need to stall together you must have one person purchase the stalls on their account to ensure you are together. When you type the riders name in the stall box if you have a stallion or a kicker simply type the rider's name and stallion or kicker after that so we can TRY to accommodate you with an end stall.

BASIC RULES

Failure to follow dress code will result in a no time. It is YOUR responsibility to know your draw number for each session and get yourself in the pen before the gate shuts. If you need assistance, ask the gate official or the “hold pen caller” in the back. The back gate will not open and shut once the drag begins. **If you do not make it inside before the gate shuts** you will be a no time. A 3-call rule will be enforced if a rider cannot get their horse down the alleyway it will be the announcer's discretion to scratch the individual. Once a 2nd call is given a time will be set and if rider is not down the alleyway in 60 sec after 2nd call they will be disqualified. A horse must run in the position drawn, running the wrong horse in the wrong position will result in a no time. No switching of draw positions. No moving draw positions. NO TRADING DRAW POSITIONS. The safety of other riders is our priority. We prefer NOT to have helpers “on foot” in the hold pen (you can bring in a helper horse). If you DO NEED to help someone in the pen please sign release form at “caller's booth” outside of arena and enter at your own risk. We ask that you be mindful of other contestants in the hold pen and stay out of the way of horses entering and exiting the gate.
